# Louisiana Department of Public Safety & Corrections REENTRY RESOURCES

In addition to resource information provided in the discharge packet you can log onto the Department of Public Safety and Corrections Website at [www.doc.louisiana.gov](http://www.doc.louisiana.gov) for more resources in the parish you will be returning to, as well as resources in parishes statewide.

The Online Resource Database has a variety of resources including Housing, Clothing, Food, Employers, Treatment providers for Substance Abuse, Mental Health, Faith and Community-based Organizations, etc.

To access our online resource database from our website:

- Click on "Reentry Initiatives" and then "Community Resources".
- Click the region on the map for which you are wanting information.
- Click on the parish of interest on the region map.
- Select the topic or area of interest and find community resources in that parish that might assist you.

## Additional Community Resource Tips and Services:

**Local Libraries:** Libraries are a good resource for free computer usage and have a wealth of employment preparation resources. You can find a library near you by going to [www.publiclibraries.com/louisiana](http://www.publiclibraries.com/louisiana) or by calling the Louisiana 211 Network.

**Louisiana 211 Network:** This network provides assistance statewide with locating community resources by dialing 211 or by going to [www.louisiana211.org](http://www.louisiana211.org)

**Housing:** Although there is no ultimate source that serves as a solution for housing for the homeless & sex offenders, by working IN ADVANCE with the Classification Officer or Transition Specialist, your chances of finding a suitable residence upon release will be greatly enhanced.

**Employment:** The Louisiana Workforce Commission has One Stop Career Solutions Centers throughout the state that can assist you in locating employment or employment training. To find the One Stop nearest you, call (225)342-3111 or go to [www.laworks.net](http://www.laworks.net). This website can also provide assistance in locating employment using their web-based LAVOS system.

## Important Information to Remember After Release

**Contact with former victims:** Under LA R.S. 46:1846, a person who has been charged... with any crime of violence as defined in R.S. 14:2, or any immediate family member of such person, shall be prohibited from communicating, either by electronic communication, in writing, or orally, with a victim of the offense, or any of his immediate family members for which the person charged has been convicted.

**Restitution and child support:** You will be expected, as a condition of your parole supervision, to comply with any orders of restitution or child support. Failure to do so could result in the revocation of your parole. Please notify your parole officer of any such obligations and work with your officer regarding your ability to comply with them.

## INFORMATION FOR PAROLEES

This applies to all offenders about to be released on Diminution of Sentence ("Good Time") Parole and/or "granted" parole in Louisiana.

ALL NEW PAROLEES MUST REPORT WITHIN 48 HOURS UPON RELEASE IN PERSON TO THE PAROLE OFFICE STATED ON THE PAROLE CERTIFICATE.

You cannot leave the state without obtaining a written travel permit or consent from the Department of Public Safety & Corrections, Division of Probation & Parole.

If your proposed residence is located outside of Louisiana and you are incarcerated in a state prison, contact your Pre-Release Officer or Classification Officer as soon as possible to begin the transfer application. If you are incarcerated in a local jail or are in work release, you should write the Compact Office requesting transfer at P.O. Box 94304 Capitol Station Baton Rouge, La. 70804, phone: 225-342-6609. The transfer process should be requested at least five (5) months prior to transfer to insure a response is obtained from the receiving state. If you are released prior to receiving a response to your transfer application, your Pre-Release or Classification Officer will advise you where to report upon release until approval is obtained to allow you to leave the state.

A list of Probation & Parole District Offices is included on the back of this brochure for your information.
